Check-in 10:00 AM
Shotgun start noon

STORY & MISSION

A brain injury can change a child's life and an entire family's world in an instant. Families face years of navigating care, finding resources, and managing financial challenges. Hope for Minds grew from the journeys of JD and Luke, whose brain injuries inspired a lasting legacy of support.

Now in its 16th year, this tournament is one of the most fun ways our community shows up for those families. With all 27 holes in play and over 180 golfers participating, this year's tournament is set to be our biggest and best tournament yet. Grab your foursome, bring your best (or worst) swing, and spend a spring day at Onion Creek with us. Every sponsorship helps us **enrich the lives of children with a brain injury and give hope to their families, so no family walks this road alone.**

Where Your Sponsorship Goes

Financial Assistance

Grants and emergency aid for specialized therapies, counseling, adaptive equipment, home and vehicle modifications, and urgent bills like rent and utilities.

Family Support

Weekly support groups for parents, siblings, and caregivers, plus family navigation and connections to resources close to home.

Education & Awareness

Community education events, school programs, and training that equip families, educators, and healthcare professionals.

Making Connections Annual Conference

Every family attends for free, and travel scholarships help them get there.

Families learn from experts, connect with doctors, specialists, and therapists, and, most importantly, connect with other families living the journey today. Siblings have their own space together just to have fun and play. Every connection made means **no family walks this journey alone.**

45 sec

Every 45 seconds, a child in the U.S. suffers a brain injury.

6,000

individuals served across 47 states

SPONSORSHIP OPPORTUNITIES
