Gala Sponsorship and Partnership Opportunities

THE EVENING

Serving Up Hope is Hope for Minds' signature gala: dinner, signature cocktails, a silent/live auction and an unforgettable program, all for children recovering from acquired brain injury and their families.

OUR MISSION

The mission of Hope for Minds is to enrich the lives of children with an acquired brain injury and give hope to their families through financial assistance, family support, and education.

MEET OUR HOST

John Isner

One of the greatest servers the game has ever seen, John was ranked as high as 8th in the world and won the longest match in tennis history. A loyal friend to Hope for Minds for years, he now serves up hope with us.
